It has a den upstairs, with four large bedrooms; in each bedroom there are 5 large drawers for clothes; a large front porch 40 ft, by 12 and a sleeping porch 22x12 in the rear, with 3 large sliding glass windows that you can close in time of storm. The floors are double and laid in maple. The other woodwork is birch and oak; 4 large cemented rooms in the basement, vegetable room, fruit room, coal room and laundry, with 3 large vats. It has a Rudd automatic water heater, self-regulating. The heat is steam with a large radiator in each room. The chandeliers were made to order; nothing like them in the city. It has a large lot 2½x10; the grade 5 ft, above sidewalk; sewer, and pavement paid, with right-of-way, pretty lawn and some shrubbery. It has an auto garage large enough for two. This house was built for a home by a prominent contractor of this city, and finds it is too large for his small family of 3. A close inspection from any architect will disclose that it is decidedly under the market. Come in early and we will take you in the auto, as it will not last long at the price listed.
